

EMERGENCY PHONE MOUNTS

ETP-PMD – Dual Faceplate Pedestal Mount

Description

Free standing Dual Faceplate Stainless Steel Pedestal Mount allows an Emergency/Information or Access phone to be mounted practically anywhere. An additional faceplate allows a card reader, camera, directory or other device to be mounted above the phone.

Features

- Constructed of vandal resistant 3/16" stainless steel with slanted top
- Pedestal features 2" radius corners, offering contemporary architectural styling
- Easily mount any 400-Series or 500-Series Talk-A-Phone Emergency/Information Phone
- Faceplates are lit at all times by compact concealed light
- Secondary plate available in stainless or aluminum for mounting directories, cameras, card readers and other devices
- Available with optional wording on sides
