

# MTE SERIES TOWERS

ETP-MTE-W  
(shown with VOIP-600E)

The ECO TOWER® emergency phone tower, model ETP-MTE, combines economy and ecology into one stylish product. Durable yet lightweight, this aluminum tower stands nine feet tall. An always-lit LED blue light mounted atop the tower provides high visibility and gives passers-by a sense of security.

## FEATURES

- Lightweight aluminum construction for reduced ecological footprint and one-person installation; modular construction allows for easy upgrades
- Durable, multilayer powder coating achieves near-zero waste and VOC (volatile organic compound) emissions
- Optional internal mounting plates and shelves provide clean mounting solutions for accessories
- Vandal-resistant and designed to resist extreme weather conditions
- Easily mount any Talkaphone ETP-500 Series, VOIP-500 Series or VOIP-600 emergency/information phone into unit (sold separately)

*Note: For overhead camera mounting arm, order accessory model number **ETP-MTE-ARM** — not compatible with ETP-MTE Series Towers configured with **Column (B)**.*
